The Kovels' Collectors' Source Book

By Ralph and Terry Kovel

A comprehensive, profusely illustrated A to Z directory of resources for collectors.

Here, in an alphabetically arranged catalog for more than 80 collectibles, the Kovels give collectors everything they need to know to keep their collection alive, secure, and growing. For example, they provide listings on clubs and publications, how-to-repair books, price guides, parts and repair services, buying by mail, auctions and auction houses, matching services, display services, booksellers, conservators, restoration sources, preservation supplies, and much more.

Today, when it is estimated that 2 out of every 3 people collect something, *The Kovels' Collectors' Source Book* is an absolute must for any library that needs resource information at its fingertips.

More than 300 black-and-white photographs and line drawings.
